

EXH. G

STATE OF NEW HAMPSHIRE

MERRIMACK COUNTY, SS.

SUPERIOR COURT DEPARTMENT

CIVIL ACTION NO. 217-2020-CV-00491

JOSEPH ANDERSON

Plaintiff,

vs.

ATTORNEY GENERAL
GORDON MACDONALD

Defendant.

AFFIDAVIT OF SUSAN L. CHAMPY

I, Susan L. Champy, on knowledge, do hereby state and depose as follows:

1. In 2004 I was a resident of North Haverhill, NH. The night that Maura Murray disappeared (February 9, 2004), I was scheduled to finish work at the Loon Mountain Club in Lincoln, NH at 7:00 PM. However I did not leave work on time that evening because the employee scheduled for the 7:00 PM shift did not arrive on time, and I was unable to leave that job before relief arrived. As I recall, I left work around 7:20 PM.
2. As I drove home (approximately a 30-35 minute drive), I passed what I later learned to be the site of where Maura Murray crashed her car on Route 112 near the Weathered Barn Corner. I recall seeing the police on scene and one or possibly two bystanders by the car. The dark sedan was facing east (toward Lincoln, NH) and the driver's side front door was open. The officer on scene appeared to be rummaging through the vehicle. As I passed by, I rolled down my window and I asked if anyone needed help. The officer told me that he was not in need of any help, and so I rolled up my window and continued driving home, which was about a mile down the road.
3. I eventually learned that the driver of the vehicle, Maura Murray, was missing. I am not certain of the date, but approximately a year after Maura disappeared, I recall reading in a newspaper that the police had obtained a search warrant for the vehicle the following day (February 10, 2004). That fact stood out to me because it made me wonder if the police should have been searching the vehicle on February 9, 2004 (that is, before having

received the official warrant authorizing the search).

These statements are made under the pains and penalties of perjury on October 27, 2020.
